All interested persons, including all persons owning taxable real property located within the Special Service Area, will be given an opportunity to be heard at the hearing regarding 1) the tax levy and an opportunity to file objections to the amount of the levy, 2) formation of the boundaries of the Area and may object to the formation of the Area and 3) the levy of taxes affecting said Area.

The purpose of Special Service Area No. 18 in general is to authorize the maintenance, repair and replacement of storm water detention basins, storm sewers and related areas and appurtenances, landscape buffers, maintenance, common areas, subdivision monumentation, private roads, signage and any common areas of the Area of the Subdivision in the Special Service Area, as well as to authorize the implementation and continuation of a mosquito abatement program in the Special Service Area all in accordance with the final engineering plan and final plat of subdivision for the Area, and the proposed municipal services are unique and are in addition to the improvements provided and/or maintained by the Village generally.

At the hearing, all persons affected will be given an opportunity to be heard. At the hearing, there will be considered the levy of a NON ad valorem annual tax as follows: The amount to be levied shall be limited in an amount of no more than \$600.00 per lot multiplied by the total number of lots within the Special Service Area. Said limiting amount (\$600.00 per lot) may be increased after the levy for 2013 (payable in 2014) by up to 5% per annum (cumulative), subject to a maximum levy of \$200,000.00 in any one year. Said tax may be levied for an indefinite period of time from and after the date of the Ordinance establishing said Area. The anticipated 1<sup>st</sup> year (after amendment) levy is \$300.00 per lot multiplied by the total number of lots within the Special Service Area.

Said taxes shall be in addition to all other taxes provided by law and shall be levied pursuant to the provisions of the Property Tax Code. The Village may annually levy hereunder up to the maximum rate specified herein for the cost for the said services, as said services become necessary and are provided for. The hearing may be adjourned by the President and Board of Trustees to another date without further notice other than a motion to be entered upon the minutes of its meeting fixing the time and place of its adjournment.

If a petition signed by at least fifty-one percent (51%) of the electors residing within the proposed Special Service Area No. 18 and by at least fifty-one (51%) of the owners of record of the land included within the boundaries of the proposed Area is filed with the Village Clerk within sixty (60) days following the final adjournment of the public hearing objecting to the establishment of the Area, the enlargement thereof, or the levy or imposition of a tax for the provision of special services to the Area, no such Area may be established or enlarged, or tax levied or imposed.
