2018 Grand Marshal
Street Supervisor Gary Beyer
33 Years of Service

Gary Beyer has been a life-long resident of Montgomery and Oswego. He began his career with the Village of Montgomery in June of 1985 when there were a total of only three employees in Public Works. He devoted 33 years to the village working with various people including Gary Pregel, Bill Curry, Ray Kozlowski, Stu Johnson, and many others. He served as Street Supervisor for more than 20 years, and has been a familiar face around town as he directed work on street repairs, leaf pickup, snow plowing and other public works projects until his retirement this spring.

Gary has been married to his wife Lisa for 40 years. They have two children, Adam and Ashley, along with four grandchildren, Jackson, Makenna, Finley, and Crew.
