

Jackson Street Sanitary Sewer Improvements Project Notice

Dear Resident:

The Village of Montgomery has contracted with LUC Group, LLC. to replace the sanitary sewer on Jackson Street between Oakland Street and Waubansia Avenue.

Work is scheduled to begin Monday May 4, 2020 with a target completion date of July 2, 2020. Working hours will be from 7:00 AM to 3:30 PM Monday through Friday. During working hours, Jackson Street between Oakland Street and Waubansia Avenue will be closed to traffic and on street parking will not be allowed. Residents who live between Oakland Street and Waubansia Avenue will be allowed to travel to and from their homes during construction. Mail delivery and garbage services will continue as normal.

Typical to projects of this nature, residents may experience the following during construction:

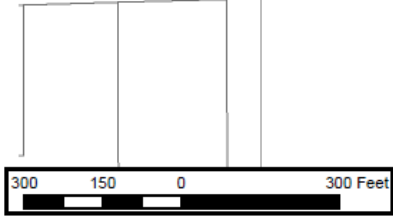

- Construction traffic and noise
- Minor traffic delays
- Temporary driveway closures (residents will be notified in advance)

During construction, if you have any questions or concerns please contact:

- | | | | |
|--------------------|--------------|---------|---------------------------|
| • Mike Schweisthal | 630-878-1373 | EEl | On-Site Resident Engineer |
| • Julie Morrison | 630-466-6700 | EEl | Senior Project Manager |
| • Mark Wolf | 331-212-9043 | Village | Director of Public Works |

The contact information contained in this flyer should be used for non-emergency construction related issues or questions and is not intended to replace the police emergency number (911) and non-emergency number for the Montgomery Police Department (630-553-0554), which should be used when appropriate.

Your cooperation and patience are greatly appreciated and please remember to exercise additional caution if traveling through the construction area.
